

# FRANCHISE EXPO 2006

**SUNBELT®  
BUSINESS  
ADVISORS**

***Note from one of the Sponsors :** Thank you for the great interest in this first ever event for the Gulf Coast and the Pine Belt. Many of the franchises coming are popular in other parts of the country, and are seeking franchisees to bring them to our states. Different investment levels are available from \$35K to over \$1 Mil for a single franchise. Strategic development opportunities are available for entrepreneurs interested in developing the entire state of MS, LA, or AL for emerging franchises. If you have any questions about the event or need more information please feel free to contact us at 228-388-7030 or 601-582-0225. Respectfully, Ward Wicht, Sunbelt Business Advisors [email information@sunbeltnetwork.com](mailto:email information@sunbeltnetwork.com)*

This list was prepared 2/1/06. We expect approximately 5 more franchises to notify us that they are coming as well.

<p>Budget Blinds</p>	<p>Budget Blinds trains individuals to own and operate a home-based business that sells and installs window coverings, via a well-equipped mobile showroom. What makes our franchise unique is that we actually teach people how to run a business, versus teaching people how to do a job. By running a business, we mean hiring, monitoring and maintaining employees, working from cash flow, and teaching how to understand and utilize profit-loss and balance statements. We teach what business owners need to know, not what job operators want to know. We provide an Item 19 "Earnings Claim" in our UFOC. We also provide a \$5K local marketing reimbursement.</p>	
<p>Business Center Development</p>	<p>Business Center Development builds Shipping/Mailbox stores nationwide offering over 40 services. We are not a franchise therefore we do not have any ongoing fees. However, we do provide a complete turnkey operation including complete store set up, training and on going support to our buyers. This is an easy to operate business, which is suited to individuals from various different backgrounds. SBA loan assistance is provided.</p>	
<p>Children's Technology Workshop</p>	<p>Children's Technology Workshop (CTWorkshop) provides a different kind of technology education enabling children to master skill sets necessary to compete in the 21st century. With over 500 hours of technology-enabled curriculum, children, ages 5-14, have the opportunity to build early literacy skills and develop an understanding of engineering, robotics, animation, digital art, and video game design.</p>	

Executive Tans	<p>Executive Tans is a well established Franchisor which specializes in building successful indoor tanning salons. Over the past 15 years, our concept has evolved to a highly refined service and retail business. Our aesthetic package, co-branded equipment, product mix, buying power, training, and marketing programs set us apart from our competition.</p> <p>Executive Tans is a brand built on quality services, convenience, value pricing, and market positioning through specific advertising.</p>	
Fitness Together	<p>Our program offers unique personalized fitness training for men and women ranging from twelve to ninety five years of age. In the privacy of individual suites, our clients work with one of our professional, certified personal trainer to achieve mutually established health and fitness goals. Fitness Together is committed to franchising as our predominant method of growth throughout the world.
